

Historical Points about Neoliberalism

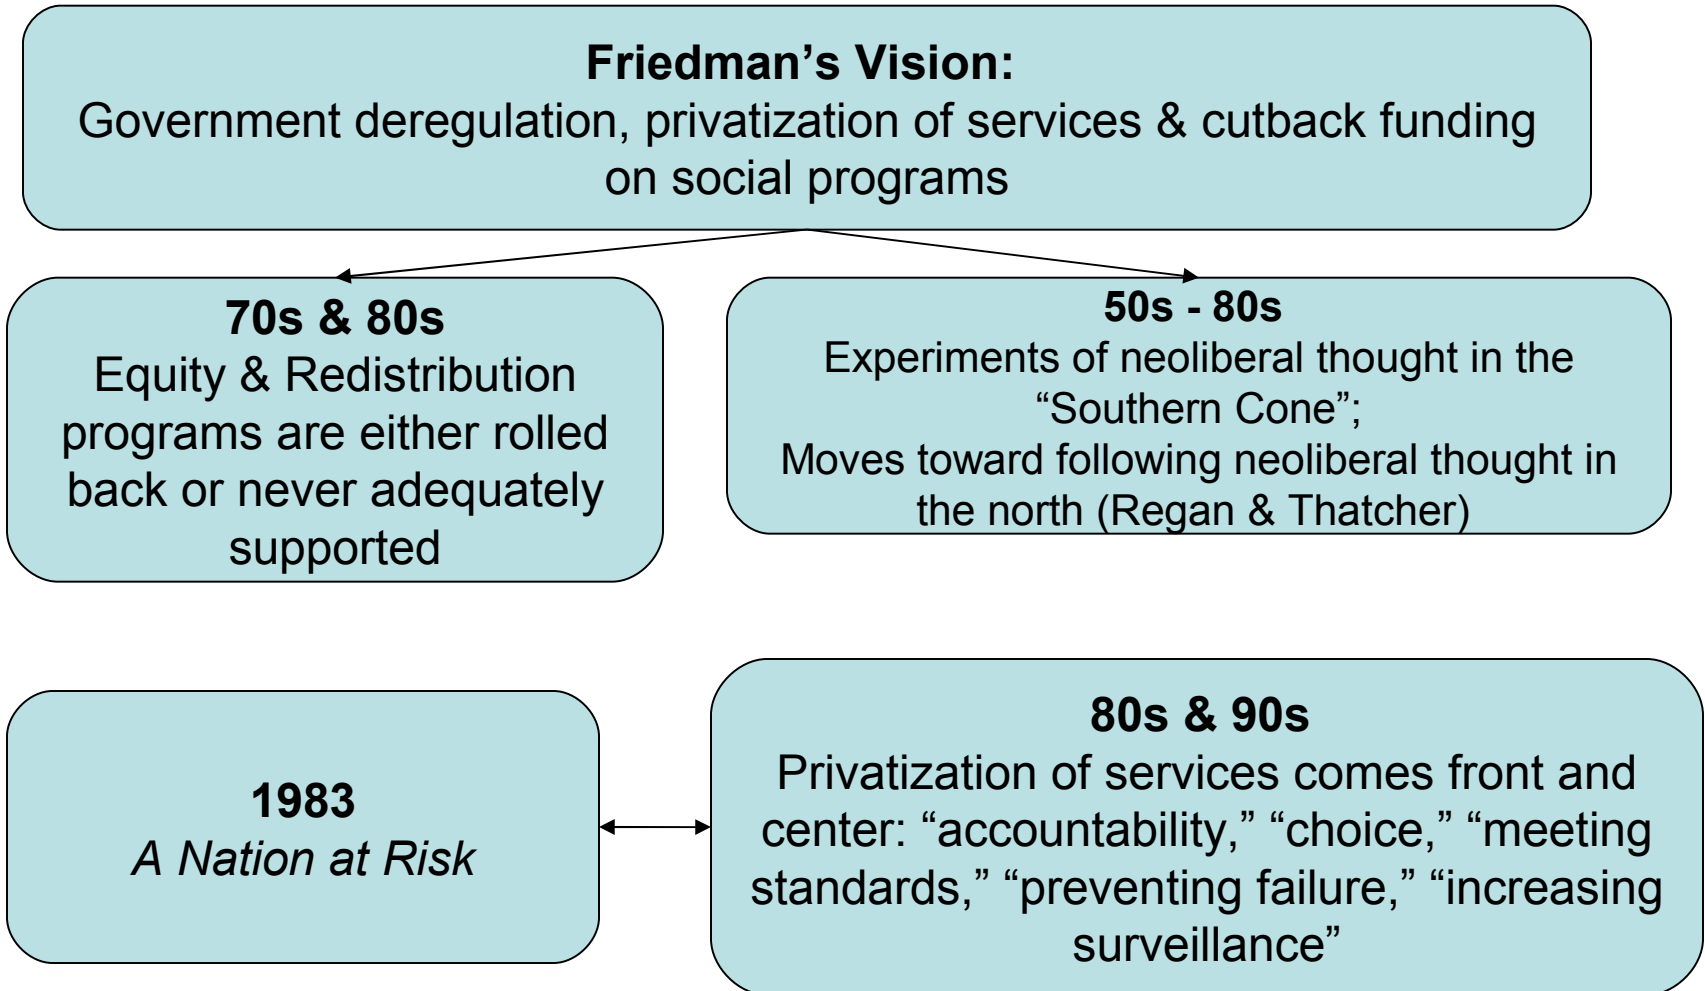

Education is situated within the large social, political and economic context

1950s, 60s, & 70s

The Counterrevolution

The Corporatist State: Is this the U.S. Today?

Big Government & Big Business Working Together

Transferring public wealth to private hands; exploding debt; growing divisions between rich and poor; aggressive nationalism through security

End of Social Policies & Programs:
Dismantling of housing programs,
fight against socialization of health
care

Federal Education Policies
Clinton's Goals 2000,
Bush's NCLB

Federal Government:
Centralizes control or
hands it over to private
industry

Questions

How does neoliberalism play out in local education policies and structures? Is Mayoral Control part of the agenda? Organization of Schooling? Control over school professionals?
